Statement Regarding Access to Reference Letters

Applicant: Waseem Raza, PhD

Position: Assistant Professor in Data Science

Institution: Seton Hall University | **Job Number:** 497507

I voluntarily waive my right to inspect or review confidential letters of reference submitted in support of my application for the above faculty position, to the extent permitted by applicable law and institutional policy.

I understand that this waiver concerns my access to the confidential reference letters and does not replace any required consent or authorization requested in the university application system.

Applicant signature: _____

Date: _____

Unsigned draft. Review and sign only if you choose to make this waiver.
